

Hana Boudlali, Local Project Manager ***boudl005@umn.edu***

Hana is a junior majoring in Biomedical Engineering with minors in Neuroscience and Leadership. Outside of EWH, she is on the Outreach Committee for the Society of Women Engineers and plays on the U of M Women's Club Soccer team. Last semester she worked in the Visible Heart Laboratory and now works in QA Engineering at Minnetronix. Besides her love for engineering, she also has a passion for soccer, roadtrips, concerts, and unhealthy amounts of caffeine.
