

Hannah Boman, VP of Campus Relations

boman025@umn.edu

Hannah is a sophomore studying Biomedical Engineering, minoring in Chemistry from Cannon Falls, MN. She has a strong passion for global health and the development of medical engineering as she aspires to go into the medical field as an orthopedic or pediatric surgeon. Outside of EWH, Hannah enjoys her time most in skiing for the UMN Alpine Ski Team, Greek Life, Premed AMSA, volunteering, traveling, and playing with anyone's dog
